

## 2021-2022 Saylesville Elementary School Supply List

### K-5 Supplies - All Students need the following supplies:

- ★ *At the moment, we don't know if masks will be required in public schools. Please be prepared with a clean **face mask** that covers the student's mouth and nose.*
- ★ All students need to provide **headphones** that fit into a laptop or chromebook.
  - You should provide a mask and headphones that are comfortable for your child. We suggest using them over the summer so you know your child feels comfortable using them.
  - Masks and headphones will need to be replaced if they break or get lost.
  - Store the headphones in a sealable (Ziploc) baggie with your child's name and grade
- ★ **Two boxes of #2 pencils.** *Pre-sharpened Ticonderoga Pencils seem last the longest*
- ★ **Two pink erasers**
- ★ **Glue sticks** (except Grade 1 & 2)
- ★ **One box of crayons** (except grade 1; grade K requests 3 boxes). *Crayola are the most durable and last the longest*
- ★ **3x3 Post It Notes**
- ★ **Four black dry erase Expo markers** Thin tip or bullet tip (Not chisel tip)
- ★ *We recommend a durable **backpack** to carry everything.*

#### **Additional Grade K Supplies**
