**Responses must be legible. Please use additional paper to answer these questions.**

Explain briefly, why you have chosen this major and/or career.

What courses are most difficult for you? How do you deal with this?

Do your grades and test scores accurately reflect your ability? Why or why not?

Discuss in detail those extracurricular activities you have been **most proud of** being involved in. Be specific about what you did or accomplished.

What experiences and/or people in your life have influenced you the most? How? Why?

Describe any special talents you have or are trying develop.

How would you distinguish yourself from other students in the senior class? What makes you unique?

How do you see yourself contributing to the college or university of your choice?

Describe any special information about yourself or your family circumstances that you feel would be important to include in a letter of recommendation. For example, illness, divorce or unusual situations you have had to overcome.
