

# Lincoln High School Summer Reading 2024

Summer reading is an important element of maintaining students' reading skills over the summer break. It is important to keep "flexing the reading muscles" in order to start the next school year as strong as possible. See the chart below for the text options for each grade level. Links are provided for preview purposes only as parents and students select which book is the best choice.

· NOTE: Grade 11 or Grade 12 students enrolled in an English AP class or the URI Course Cluster should refer to those classes' specific summer reading requirements. See the [school's website](#) for specific information.

## Assessment

Students will take a 25-question multiple choice assessment that is designed to assess students' comprehension of the chosen summer reading book. This summer reading assessment will count as a double-quiz grade and will occur within the first two weeks of school.

## Graphic Organizer

Click [HERE](#) for a copy of a Summer Reading Notes Sheet. Complete this sheet as you read your book to keep track of important elements of the text, which will help you prepare for the summer reading assessment. Thoroughly completed sheets will be accepted for bonus points on the summer reading assessment. See the sheet for further directions.
