Food Allergy Form

Lincoln Public Schools

Chartwells Food Service

chartwells
serving up happy & healthy

Dear Parents,

In an effort to keep all students with allergies safe as possible while in school, the Lincoln School Department will be following the Chartwells Food Allergy program as part of the USDA protocol. (see below)

The United States Department of Agriculture (USDA) mandates that school meal programs must accommodate all students with disabilities, which includes food allergies and medical conditions. To keep our students safe, Chartwells follows a comprehensive food allergy and medical conditions protocol. In order to follow the USDA's guidance and accommodate all students in the meal program, we need information for students with documents food allergies and medical conditions to ensure that we are providing a safe and nutritious meal.

Any students with a documented allergy will have their name and allergy information given to Chartwells; this information will be added to their computer program on a yearly basis. When your child swipes their card or enters their ID number, an alert will show on the computer with the allergen. This is one extra step to prevent a severe life-threatening allergic reaction in school.

If your child does not have an allergy, please disregard this notice. No further action is required.

If you have any questions please contact Mariah Perez, Director of Dining Services, at 401 334 7532. Mail: Lincoln Public Schools, ATTN Chartwells K12, 135 Old River Rd. Lincoln, RI 02865
